

PRIVACY STATEMENT

for the processing operation of GOVSATCOM Demo Project

<p>1. INTRODUCTION</p>
<p>This Privacy Statement describes the measures taken to protect your personal data with regard to the action involving the present data processing operation and what rights you have as a data subject.</p> <p>EDA protects the fundamental rights and freedoms of natural persons and in particular their right to privacy with respect to the processing of personal data (Article 1.1 of Regulation No 2018/1725).</p>
<p>2. CONTROLLER OF THE PROCESSING OPERATION</p>
<p>EUROPEAN DEFENCE AGENCY Rue des Drapiers 17-23 B-1050 Brussels www.eda.europa.eu</p>
<p>3. PURPOSE OF THE PROCESSING</p>
<p>The main objective of GSC Demo project is to meet the GOVSATCOM demands of cMs and European CSDP actors through a pooled capability (bandwidth/power and/or services) that has been provided by cMs capabilities. In this regard, the Project facilitates provision of excess capability to a pool that would be available for use by other interested contributing Member States, and therefore mitigate their shortfalls.</p> <p>A Project Arrangement Management Group (PAMG) will be set up comprising representatives from the cMs as the decision-making body, in order to govern and manage the GSC Demo Project. Subsequently, EDA will set up GSC Demo Project Office (GDPO) responsible for the effective coordination and daily activities of the GSC Demo Project.</p> <p>To that end, the communication between the parties (PAMG, GDPO and MS) needs to be enabled and their personal data collected by EDA, shared among other parties to the project and potentially with Government bodies and government-controlled Service Providers.</p>
<p>4. DATA PROCESSED</p>
<p>Data processed are the following:</p> <ul style="list-style-type: none"> - Name and Surname; - Function and (if representing a private company/Service provider) employer; - Address and telephone number; - E-mail address.
<p>5. RECIPIENTS OF THE DATA</p>
<p>Internal recipients:</p> <p>EDA CAT Directorate/Information Superiority Unit staff member;</p> <p>IT and Security Units staff members;</p> <p>other EDA Operational Units staff members that may be involved in the project.</p>

External recipients:

Representatives of cMs;

Representatives of participating Member States that may join the project.

6. PROTECTION AND SAFEGUARDING OF THE DATA

Data will be processed in accordance with the high security standards established by EDA. Personal data within EDA network are restricted so that only EDA staff can access.

Data are stored on the EDA IT infrastructure in a dedicated folder/database, with unlimited access to Controller, Programme Manager and Head of Unit.

A replica of this database will be mirrored to a folder on the EDA Collaboration Platform which is EDA web-based collaboration system, only accessible to those cMs participating in the project.

7. RIGHT OF ACCESS AND RECTIFICATION OF THE DATA

Data subjects have the right to access their personal data and the right to correct any inaccurate or incomplete personal data, as well as to request the removal of their personal data, which will be implemented within 10 working days after the request has been deemed legitimate. If the data subject has any queries concerning the processing of his/her personal data, she/he may address her/himself to the data controller at the following mailbox: GSC.GDPO@eda.europa.eu

Requests for blocking and erasure will be processed within 5 working days after the request is deemed legitimate.

8. TIME LIMIT FOR STORING DATA

Personal data are stored as long as they are valid and substituted when so requested by contributing Member representatives.

Due to the nature of the business, EDA will periodically request cMs representatives to confirm that their personal data are still valid and to provide new PoC data representatives if changed.

Personal data will be kept as long as needed to serve the purpose for which they have been collected or until the data subject indicates that he/she wants the data to be removed.

In any case, the personal data collected, and the database will be deleted at the closure of the Project.

9. LEGAL BASIS FOR THE PROCESSING OPERATION

Articles 5(a) and (d) of Regulation 2018/1725;

Article 31 of Council Decision (CFSP) 2015/1835 of 12 October 2015 defining the statute, seat and operational rules of the European Defence Agency.

10. CONTACT DPO

In case you have any questions or queries concerning data protection at the European Defence Agency, you can also contact the Data Protection Officer at dataprotection@eda.europa.eu.

11. RECOURSE TO EDPS

As a data subject you have the right to have recourse at any time to the European Data Protection Supervisor (<http://www.edps.europa.eu>) at edps@edps.europa.eu.
